A most elegant pair of French 19th century Louis XVI st. Ormolu candelabras. Each four arm candelabra is raised by a most elegant circular mottled base with a beautiful spiraled acanthus leaf design and a fine wrap around beaded band. The striking quiver shaped tapered central supports display fluted designs leading up to the impressive richly chased eternal flame finials. The lightly curved arms each display a fluted design and lovely finely detailed foliate bobeches and candle cups.
