A high quality and large scaled pair of French 19th century Louis XVI st. Ormolu candelabras. Each truly beautiful two arm candelabra is raised on a square plinth with mottled Coeur-de-Rai edges. Atop the plinth is a socle shaped base with fluted designs that supports the fluted body. The urn shaped body contains tasteful foliate chandelles in the expanded section of the body while leaving the narrow section of the body smooth. Blossoming from the top of the urn is an array of floral vines extending upwards with foliate decorations. The two arms branch out on either side and are accented with acanthus leaf candle cups.
