An elegant and most attractive pair of French 19th century Louis XVI st. Ormolu candelabras. Each three arm candelabra is raised on a circular Ormolu base with finely chased acanthus leaves below a circular pedestal decorated on all sides by rosettes. The three arms above showcase handsome hoof feet and are joined at the midsection by elegant laurel wreaths leading to scrolled acanthus leaves. The arms lead to richly chased bobeches and fluted candle cups. Centering the three arms is a finial of the eternal flame. Wonderful proportions and original gilding throughout.
