---

An elegant and most decorative pair of French 19th century Louis XVI st. Ormolu lamps. Each small scale candlestick lamp is raised on a square plinth accented with a foliate band. An additional foliate band decorates the bottom of the slender Ormolu socle pedestal above which leads to an additional foliate band above. The urn shaped body displays two ram's head handles which are joined by swaging berried laurel garlands below the turned candle cup and glass saucer.
