A striking true pair of French 19th century Louis XVI st. ormolu, patinated bronze and Sèvres porcelain candelabras. Each five arm candelabra is raised by a stunning pierced scrolled foliate base with lovely floral accents and a beautiful and most decorative fitted hand painted Sèvres porcelain plaque at the elegantly curved socle shaped pedestal support. At the center are charming patinated bronze cherubs draped in wonderfully executed flowing fabrics holding their hand in the air with one holding the eternal flame. A fine foliate support leads up behind them to the five stunning arms adorned with a superb array of richly chased leaves and blooming flowers leading to lovely floral candle cups. All original gilt and patina throughout. Available with matching clock item #6389 sold separately.
