An exquisite and very high quality pair of French 19th century Louis XVI st. ormolu sconces. Each large scale five arm sconce is centered by a striking bottom acorn finial below scrolled foliate designs, beautiful Vitruvian scrolls, and large richly chased acanthus leaves in a superb satin and burnished finish. Each elegantly scrolled arm displays a fine fluted design amidst Rinceau patterns and large acanthus leaves leading to fluted floral bobeches and mottled candle cups. The backplates display impressive pierced lyre shaped designs with lovely floral accents, berried acanthus leaves, and a swaging fabric seemingly holding the sconce up and tied in a charming bow above. All original gilt throughout.
