A striking and most elegant pair of French 19th century Louis XVI st. ormolu sconces. Each three arm sconce is centered by beautiful backplates with richly chased foliate designs, lovely swaging berried laurel garlands, handsome lion heads with rings in their mouths, and striking urns of prosperity finials with the eternal flame above. Each elegantly curved arm is adorned with acanthus leaves leading to circular mottled bobeches and fine candle cups with wrap around bands with most decorative interlocking geometric designs.
