A stunning and unique pair of French 19th century Louis XVI st. ormolu, Vert de Patricia, and Rose Vif marble urns mounted into lamps. Each lamp is raised by an elegant octagonal Vert de Patricia marble base with fine ormolu bun feet and a striking richly chased wrap around tied berried laurel band in a superb satin and burnished finish. The circular support displays beautiful fluted designs and intricately detailed fitted foliate chandelles below a wrap around Coeur de Rai band and the fluted socle shaped pedestal support. The Rose Vif marble body is encased by palmettes and striking pierced scrolled foliate ormolu mounts leading to beautiful richly chased maidens seated at each side brushing her hair. Above the elegantly curved neck are the unique and most decorative woven basket finials with blooming flowers and the eternal flame.
