A wonderful pair of French 19th century Louis XVI st. patinated bronze, ormolu and marble tazzas. Each tazza is raised by a white Carrara marble base with richly chased ormolu entrelacs et les rosaces and beaded patterns. Above the marble column displays fine fitted ormolu chandelles below the ormolu socle pedestal support. The patinated bronze urn displays charming and detailed ormolu floral movements leading up to the handles at each side. The urns are finished with ormolu interiors, with all original gilt and patina throughout.
