A remarkable pair of French 19th century Louis XVI st. patinated bronze, ormolu, and Rouge Griotte marble lamps. Each lamp is raised by elegant ormolu ball feet below the square patinated bronze base with concave corners and a most decorative mottled Rouge Griotte marble band. Above the socle shaped pedestal support and a wrap around berried laurel band is the elegantly shaped body decorated with charming richly chased swaging blooming flower garlands and lovely pierced scrolled foliate designed handles at each side. Above a wrap around ormolu band with a fine interlocking geometric design is the lightly curved neck and fine foliate ormolu top cap. All original gilt throughout.
