An impressive and extremely decorative pair of French 19th century Louis XVI st. pink Granite and ormolu lidded urns. The pair are raised on circular ormolu bases below the mottled Granite socle support. The urn above has a recessed carved band which is decorated by a richly chased pierced Ormolu band with foliate scrolls and a central reserve. The urns are also decorated by handsome ormolu rams heads at each side. Above are the granite lids resting on mottled rims and having berried Ormolu finials surrounded by acanthus leaves.
