A striking and most elegant pair of French 19th century Louis XVI st. silvered bronze and ormolu lamps. Each lamp is raised by a beautiful square base with concave sides and a fine fluted design with lovely floral rosettes. The socle pedestals display richly chased wrap around tied berried laurel bands and finely detailed foliate designs which encase the silvered bronze bodies. At each side are intricately detailed cherub faces amidst elegant leaves and spiraled handles. The fine tapered necks display fluted designs with fitted foliate chandelles.
