A most elegant pair of French 19th century Louis XVI st. silvered bronze, ormolu and marble three arm candelabra lamps. Each lamp is raised by fine ormolu ball feet below a rectangular marble base. The ormolu socle pedestal displays a beautiful foliate wrap around band with striking pierced palmettes and foliate patterns encasing the silvered bronze body. Striking cornucopia shaped arms extend up each side with foliate candle cups and handsome and finely detailed lion heads with rings in their mouths. Greek key shaped handles flank the central arm which also displays a lovely foliate candle cup and fine wrap around band.
