A pair of elegant and uniquely shaped French 19th Century Louis XVI st. three-arm electrified candelabras. Each is raised by a square white Carrara marble base with recessed central panels and pierced ormolu mounts all above topie shaped ormolu supports. Above is a spiral-fluted ormolu fut below the white Carrara baluster shaped fluted urn. The urn is decorated with three impressive and richly chased 'S' scrolled arms with leaves at the bottom which lead to buds and fully opened blossoms. At the center of the arms is a floral bouquet amidst berries. Exquisite quality throughout.
