A very attractive and high quality pair of French mid 19th century Louis XVI st. Verde Antico marble and ormolu Medeci style vases. Raised by a square marble plinth, the column base is surrounded by a large acorn leaf ormolu border. Above is the impressive finely chased moulded ormolu support with exquisite acanthus leaf designs. The vases have a very elaborate ormolu bottom border and have handsome escutcheon shaped handles joined by a pierced ormolu frieze. Revealed at the top of the elegant tapering green marble, is the stunning fitted ormolu interior.
