A stunning and high quality pair of French 19th century Louis XVI st. Vert Maurin marble and ormolu lidded urns. Each urn is raised by a square base with concave corners and a fine bottom ormolu fillet. The socle pedestal displays a fine wrap around berried laurel band and elegant fluted patterns. The beautifully shaped body displays an elegant fluted design with fine fitted ormolu foliate chandelles and a tied twisted wrap around ormolu band. At the center is a striking tied ormolu wreath flanked by lovely berried laurel branches. At each side are fine female mask and scrolled berried laurel handles. At the neck are lovely intertwined foliate patterns below the Les Oves pattern rim. The most decorative mottled lids display a fine ormolu acorn finish and remove to reveal the finished interior.
