A high quality pair of French 19th century Louis XVI st. Vert Patricia marble and ormolu lidded urns. Each urn is raised by a square ormolu base with concave corners decorated with a tied berried laurel band and a les oves pattern. Above the spiral fluted socle pedestal are fine pierced foliate mounts encasing the Vert Patricia marble body. To each side are impressive and richly chased ormolu satyrs with grape clusters joined by detailed swaging foliate and grape garlands. Above the pierced rim is the removable lid with a most decorative elegant foliate and acorn finial. All original gilt throughout.
