An exquisite and finely detailed pair of French 19th century Louis XVI st. white Carrara marble and Ormolu candelabras. Each beautiful six arm candelabra is raised on a circular Ormolu stepped pedestal decorated by swaging garments, foliate designs, a beaded band, and supported by four floral designed feet. Atop the pedestal stands a white Carrara marble cherub dressed in a flowing garment while holding a bouquet of Ormolu roses and the six laurel branches with their foliate designed candle cups above.
