A charming and most delightful pair of French 19th century Louis XVI st. white Carrara marble and Ormolu cassolette candlesticks. Each most elegant cassolette is raised on three Ormolu topie shaped feet below the circular white Carrara marble base accented with a beaded Ormolu band. Above the base is an elegant Ormolu fluted column supporting a classical urn surrounded by linked garlands and foliate designs with a bow tied ribbon. Each urn is finished with a stunning foliate band below the removable top cap, which can be flipped to reveal a beaded candle cup.
