A beautiful pair of French 19th century Louis XVI st. white Carrara marble and ormolu Cassolettes. Each is raised by ormolu feet below a circular marble base decorated with an ormolu fitted running scrolled design. Above are three ormolu supports with hoof feet, decorative acanthus leaves, centered by an inverted acorn finial. The marble body displays an exceptional rams head above each support joined by foliate garlands. The removable lid, with a richly chased top finial, reveals the finished interior.
