A most charming and high quality pair of French 19th century Louis XVI st. white Carrara marble and ormolu cassolettes candlesticks. Each cassolette is raised by a circular base with fine ormolu feet and decorated with beautiful fitted intertwined berried laurel branches, a lovely twisted band, and an elegantly curved design. The scrolled ormolu supports with hoof feet lead upwards to striking richly chased rams heads connected by charming and intricately detailed swaging floral garlands. The removable lids display lovely topie shaped finials and flip to reveal fine fluted foliate candle cups.

Candle Height: 10"
