A magnificent large scale pair of French 19th century Louis XVI st. white Carrara marble and ormolu lamps. Each impressive lamp is raised by a square marble base with a wrap around beaded ormolu band at the socle shaped pedestal support. Exquisite pierced foliate ormolu designs encase the elegantly shaped white Carrara marble body with striking richly chased scrolled snake handles at each side connected by charming intricately detailed swaging blooming flower garlands tied at the center in a lovely bow. The beautiful curved neck displays a delicate wrap around beaded band and fine mottled border.
