A unique and extremely decorative pair of Italian 19th century Neo-Classical st. mahogany, giltwood, ormolu and marble chests. Each three drawer chest is raised by handsome and richly carved polychrome and giltwood paw feet.

Above each foot are elegant columns with fine ormolu caryatids with charming feet below. Each drawer displays a beautiful and finely detailed palmette and abundant cornucopias and richly chased lion heads with rings in their mouths. Above is the original white Carrara marble top with a fine mottled border and cut corners.
