An attractive and most decorative pair of French 19th century Neo-Classical st. Ormolu and Crystal lamps. Each lovely lamp is raised on a squared Ormolu base with a Coeur-de-Rai designed band around the plinth, male bust adorned in foliate headdress and surrounded by a floral wreath, and an egg and dart top capital. Resting on the top capital is a circular Ormolu socle containing a Coeur-de-Rai patterned band and a beaded Ormolu band. This socle supports the beautiful vase shaped Crystal body that showcases finely detailed lattice cuts throughout. Above the fluted neck is a mottled Ormolu top cap.
