A stunning pair of French 19th century Neo-Classical st. ormolu, patinated bronze and Rouge Royale marble 'Aux Victoires' candelabra lamps. Each lamp is raised by four fine reeded topie shaped feet below the square Rouge Royale marble base with a richly chased wrap around foliate ormolu band. Above are the striking and intricately detailed patinated bronze winged maidens dressed in wonderfully executed flowing classical attire. The maidens are standing on superb globe shaped supports with striking foliate designs. Each maiden is holding one ormolu oil lantern in each hand with foliate and flame designs. Leading upwards from each oil lamp are four electrified candles. All original warm and rich patina throughout.
