A remarkable true pair of French 19th century Neo-Classical st. patinated bronze and ormolu sconces. Each beautiful five arm sconce displays a patinated bronze back plate with a most decorative and finely detailed lyre and foliate acanthus leaf designs. The central supports branches out from charming floral rosettes leading to the arms. The outer arms display elegant lightly curved designs adorned with richly chased acanthus leaves, foliate bobeches and spiral fluted candlecups. At the centers are striking fluted tapered arms with foliate candlecups and fine ormolu spiraled acorn bottom finials. All original gilt and patina throughout.
