A handsome pair of French 19th century Neo-Classical st. patinated bronze and marble tazzas. Each tazza is raised on a square Sienna marble base with a rich wrap around patinated bronze foliate band below the central square marble pedestal. The patinated bronze tazza above displays a finely etched pattern at the base and a reeded pattern at the top rim. At each side are C scrolled handles with overlapping acanthus leaves and central rosettes. All original patina.
