A stunning true pair of French 19th century Neo-Classical st. patinated bronze, ormolu and marble urns mounted into lamps, signed LÉON BOUCHER. Each lamp is raised by a square white Carrara marble base with ormolu ball feet and an elegant pierced recessed ormolu pattern. The socle pedestal is decorated with fine ormolu floral movements and exceptional patinated bronze fluting. The urns display bearded satyrs amidst floral movements at the base and Bellerophon and Pegasus at the center. At each side are elegant berried laurel handles and at the neck is a striking band with a family crest in a satin and burnished finish. All original gilt and patina.
