A grand and large scale pair of French 19th century ormolu and black Belgian marble tazzas. Each tazza is raised on an octagonal black Belgian marble base with a bottom ormolu band and below a mottled and reeded column support. Each richly chased urn displays sensational and most decorative leaves and berries all set on an etched background and in a rich satin and burnished finish. Above, the rims are adorned with charming beaded ormolu wrap around bands and elegant loop handles. Finished on the inside and with all original gilt throughout.
