A stunning and extremely high quality pair of French 19th century ormolu and white Carrara marble candelabras. Each monumentally scaled candelabra is raised by elegant foliate feet and a white Carrara marble support. The supports display fine fluted designs and beautiful wrap around berried laurel bands. At the center are the museum quality urns with richly chased cherubs playing at the center, draped in wonderfully executed flowing fabrics. At each side are fine scrolled handles with swaging rings leading to the elegant lightly curved necks with most decorative fluted designs and intricately detailed swaging floral garlands. Above are the sensational arms each displaying lovely spiraled designs, adorned with large acanthus leaves and ending in floral candle cups.
