An exquisite and small scale pair of French 19th century Renaissance st. Belle Epoque Period Ormolu chandeliers. The five arm chandeliers are centered by a smooth elegant spherical finials below an inverted bell shaped reeded designed body. The five 'S' scrolled arms are decorated by acanthus leaves and additional scrolls leading to scalloped saucers and cabochon decorated candle cups. The arms are joined by a stunning Ormolu reserve with four scrolled foliate supports connected at the top and below a spiral twisted fut ending with a decorative geometric hoop.
