An impressive and unique pair of French 19th century Renaissance st. patinated bronze, ormolu and ebonized Fruitwood lamps. Each lamp is raised by a striking square ebonized Fruitwood base with a fine mottled design below the fluted circular stepped socle shaped pedestal support. The elegantly shaped patinated bronze body displays beautiful finely detailed scenes of a gladiator, a bearded elder man and maidens draped in period attire with remarkable and intricately detailed gladiators holding spears and shields at each side. The neck displays a fine mottled design with a delicate wrap around foliate ormolu band.
