An exceptional and high quality pair of French early 19th century Louis XVI st. cobalt blue Sèvres porcelain and ormolu candelabras. Each three arm candelabra is raised by a square ormolu base with a fine mottled border and wrap around beaded ormolu trim. Above the circular mottled cobalt blue Sèvres porcelain bases are the striking foliate socle shaped pedestals with fine pierced leaves encasing the elegant cobalt blue porcelain bodies. To each side are finely scrolled ormolu handles with lovely foliate designs in a superb satin and burnished finish. Above the elegantly curved necks are the most impressive and wonderfully executed foliate arms seemingly growing out of the vases. Each arm displays richly chased foliate candle cups adorned with luxuriant leaves amidst striking growing buds and blooming flowers. All original gilt throughout.
