An elegant and fanciful pair of French mid 19th century Louis XVI st. cobalt blue Sèvres porcelain and ormolu vases mounted into lamps. Each lamp is raised by a circular and richly chased pierced ormolu base with designs of foliate sprays, acanthus leaves and a beaded design. Above is a fluted satin and burnished design below grape clusters surrounding the top of the ormolu base. The oblong tapered shaped porcelain urn is flanked by wonderfully decorative vertical grape vines leading to the upper scrolled handles. The front and back of the urn is decorated by richly chased blossoming floral garlands. The top neck is decorated with additional scrolls and foliate design. The lamps are shown with our signature Cedric DuPont Antiques duo pin tuck silk shades.
