A very elegant pair of French mid 19th century Louis XVI st. Verte Antique marble and ormolu mounted urns mounted into lamps. The pair are raised by square marble bases with concave corners all above ormolu ball supports. The socle is decorated by an ormolu band with a berried laurel garland with intertwined ribbons and topped by acanthus leaves. The circular oblong urn is designed with a large tied ormolu ribbon with richly chased swaging floral garlands that lead to handsome rams heads in the front. The mottled rim above is decorated with an ormolu beaded trim.
