A beautiful and most decorative pair of French turn of the century Louis XV st. wrought iron, gilt metal and Brocatelle d'Espagne marble wall brackets/small consoles. The wall brackets are raised by elegant scrolled wrought iron supports with striking central tied floral gilt metal designs with a blooming flower and charming leaves. Each corner displays lovely pressed gilt metal foliate designs centering the pierced scalloped frieze with a superb Fleur de Lys shaped reserve. Above are the original thick Brocatelle d'Espagne marble tops with an exceptional double mottled border.
