A stunning and extremely decorative pair of French turn-of-the-century Louis XVI st. gilt metal and crystal sconces. Each seven arm sconce is centered by an exquisite crystal urn with exceptional scrolled foliate designs and a twisted ribbon set on a striking silvered leaf background. Charming wonderfully executed parrots are perched at each side of the urn, also set on beautiful silvered leaf backgrounds and from where the exceptional luxuriant branches extend upwards. Each of the branches is adorned with a lovely array of crystal and auburn colored leaves with a beautiful flower at the top. At the center are the seven elegantly curved gilt metal arms each displaying lovely floral bobeches and glass candle cups. All original gilt throughout.
