A stunning and large scale pair of French turn of the century Louis XVI st. gilt metal and rock crystal four arm sconces, attributed to Maison Bagues. Each sconce is centered by a beautiful urn shaped design with a bottom gilt metal inverted finial below. The finials are adorned with fine crystal rosettes and striking mottled and etched rock crystals set on silvered leaf backgrounds. Each sconce is centered by four elegantly curved gilt metal arms adorned with large acanthus and lovely tear drop shaped rock crystal pendants. Each arm also displays fine floral candle cups and bobeches. Seemingly growing out of the urns are wonderful branch and flower designed gilt metal movements extending upwards. The branches showcase wonderfully executed rock crystal flowers and etched leaves set on a lovely silvered leaf background. All original gilt throughout.
