A sensational and most elegant true pair of Italian 18th century Baroque Period Giltwood, patinated Wood, and Sienna marble consoles. Each truly stunning freestanding console is raised by four 'S' scrolled salmon colored legs with Giltwood decorations. Each leg is supported on scrolling feet, has pierced intertwining patterns at the knee, and foliate designed scrolling top caps. All four legs are connected by a scrolling 'X' stretcher with a seashell reserve. The arbalest shaped front apron is designed with beautiful scrolling decorations with a salmon colored central reserve with gilded edges. Both side aprons contain wide set acanthus leaf decorations. The scallop shaped butterfly veneered Sienna marble tops display mottled edges and add an additional element of beauty to these two astonishing consoles.
