A beautiful and very elegant pair of Italian 18th century Genovese st. giltwood, glass, and crystal chandeliers. Each twelve arm chandelier is centered by a lovely bottom acorn finial surrounded by charming crystal pendants. The elegantly scrolled arms branch out from a carved foliate reserve and are adorned with a beautiful array of swaging crystal garlands with prism shaped cut crystal pendants. Remarkable swaging crystal garlands with fine rosettes and beaded designs lead upwards to a striking spray centering the elegant baluster shaped giltwood central fut. The top crown displays an additional most decorative spray also decorated with wonderful swaging crystal garlands. All original gilt throughout.
