A beautiful and most striking pair of Italian 18th century giltwood, gilt iron, crystal and colored cut glass twelve arm Genovese chandeliers. The chandeliers are centered at the bottom by carved finials encased within beautiful prism shaped cut crystal pendants. Branching out from the richly carved central giltwood fut are the twelve finely S scrolled gilt metal arms adorned with cut crystal pendants and swaging beaded garlands. Leading up the central fut are striking cut crystal and glass pendants in green, blue and amber. The central tiers display impressive gilt metal sprays with charming crystal flowers and additional fabulous colored glass. The top tier displays striking sprays decorated in the same fashions with outstanding crystal rosettes. All original gilt throughout.
