An elegant pair of Italian 18th century Louis XV period giltwood armchairs. Each armchair is raised by slender cabriole legs with fine scrolled feet and beautiful foliate corner designs. A delicate fillet extends up each leg and along the scalloped frieze centered by a richly chased foliate reserve with finely etched details. The curvaceous arms also display lovely carved foliate designs and delicate fillets leading up the upholstered back support decorated with additional charming richly carved foliate designs at the scalloped top. Each chair is à chassis which signifies the ease of removing the seat and back enabling to change the upholstery for each season.
