A sensational and high quality pair of Italian 18th century Baroque st. Giltwood, Gilt metal, and Crystal mirrored sconces. Each beautiful scallop shaped sconce displays its original mirror plates and original gilding, and is centered by two 'S' scrolled arms decorated by Gilt metal acanthus leaves and mottled Giltwood reserves. At the end of each arm are topie shaped Giltwood mounts below foliate pressed Metal bobeches and Gilt metal candle cups. Hanging from each bobèche are prism cut Crystal pendants. The highly decorative mottled Giltwood frame is designed with finely carved blooming flowers at the base as well as on either side. The pierced top crown of each wonderful sconce is tastefully decorated by a male bust with floral designs above and flanked by additional blooming flowers at both top corners.
