A wonderful and most elegant pair of Italian 18th century Louis XVI st. Patinated Wood, Giltwood and Faux Painted marble consoles. Each stunning freestanding console is raised on straight tapered legs with topie shaped feet and foliate carvings below the top caps. Stunning rosette carvings are placed above each leg on block supports which flank the apron. The apron is accented with wonderful arched carvings on a Patinated Wood background and centered by an additional block rosette. Above is the intricately detailed faux painted Sienna marble top surrounded by Giltwood egg and dart border. Each console is finished on the back with faux painted patterns.
