An attractive and most elegant pair of Italian 19th century cherry wood, ebonized fruitwood and white Carrara marble side tables. Each table is raised by three fine slender lightly curved legs with richly carved patinated hoof feet. A beautiful clover shaped central tier connects each leg and displays lovely baluster like shapes. Leading up each leg are most decorative ebonized fruitwood inlaid interlocking geometric patterns which also extend along the aprons. Above are the original fitted white Carrara marble tops, framed within cherry wood borders decorated with fine single ebonized fruitwood fillets.
