A beautiful pair of Italian 19th century Louis XVI st. Gilt Metal and Giltwood sconces. Each decorative six arm six light sconce is centered by a Giltwood sphere which connects the six 'S' scrolled arms. Each fine round arm contains a circular central reserve leading towards the round topie and crown shaped candle cups. The highest arm, which extends up from the bottom finial, matches the five other arms with their central reserves and crown shaped candle cups. The patinated finish on each sconce showcases extensive attention to detail throughout.
