A beautiful and extremely elegant pair of Italian 19th century Louis XVI st. giltwood and Brocatelle Jaune du Jura marble consoles. Each wall mounted console is raised by fine topie shaped feet with lovely wrap around foliate bands below block rosettes and elegant slender tapered fluted legs with richly carved acanthus leaves and foliate chandelles. The legs are connected by a most decorative concave stretcher with a fine mottled border, beaded band, and a striking central acanthus leaf and berried finial. The demi lune shaped aprons display delicate wavy foliate bands below the stunning and most impressive interlocking carved design with charming finely detailed rosettes and lovely floral accents. Above are the original Brocatelle Jaune du Jura marble tops with an elegant mottled border. All original gilt throughout.
