A striking and extremely elegant pair of Italian 19th century Louis XVI st. giltwood and Valence Jaune marble consoles. Each wall mounted console is raised by three richly carved hoof feet below fine mottled stretchers. Each of the most decorative scrolled fluted legs are adorned with finely detailed acanthus leaves and lead up to exquisite foliate capitals. Lovely fluted designs extend along the friezes with richly carved fitted foliate chandelles and foliate panels fitted within mottled borders above each leg. Above are the original Valence Jaune marble tops with fine mottled borders.
