A stunning and most impressive pair of Italian 19th century Neo-Classical st. Alabastro Fiorito, Verde Antico and white Carrara marble pedestal columns.

Each pedestal is raised by an elegant white Carrara marble base with fine mottled and stepped designs. The beautiful tapered central support displays striking butterfly veneered Alabastro Fiorito central reserves at the front and sides framed within beautiful Verde Antico marble borders and displaying unique and most decorative cut corners tapering in the opposite direction.

Above is the rectangular white Carrara marble display shelf with a fine mottled border.
