A striking and most impressive pair of Italian 19th century Neo-Classical st. giltwood, polychrome and Rouge de Verone marble consoles/center tables. Each rectangular table is raised by fine mottled supports below handsome paw feet and scrolled legs with exquisite richly carved lion heads amidst beautiful foliate movements. Each leg is connected by an elegantly curved stretcher with a most decorative pierced circular central reserve and fine polychrome designs. Above beautiful stepped mottled giltwood bands, that are repeated at the sides and back, are the original Rouge de Verone marble tops.
